Notice of Non-Discrimination

It is the policy of Lakewood Christian School not to discriminate on the basis of race, color, national origin, sex, veteran status, disability, or age in its programs, services, and activities as required by Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, Title IX of the Education Amendments of 1972, and the Age Discrimination Act of 1975.

Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) afford parents and students eighteen (18) years of age ("eligible students") certain rights with respect to the student's education records.

1. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will decide for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. They should write the school principal; clearly identify the part of the record they want changed and specify why it is inaccurate and misleading.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board of Education, a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. According to the No Child Left Behind Act of 2001, and the National Defense Authorization Act for Fiscal Year 2002, requests for secondary students' names, addresses, and telephone numbers will be provided to military recruiters unless a parent or eligible students opts out of providing such information. Enrollment packets include written documentation of the choice made by parents or eligible students regarding release of personally identifiable information.

The Lakewood Christian School Student/Parent Policy Guide has been published to inform students and parents about policies and procedures of the school. This guide is revised and published each summer. The policy guide is distributed to each student in the school district at the beginning of the school year and is available on the school's website: www.lcsliions.com. It is not possible for all policies and procedures to be included in this guide. All students are obligated to abide by all Lakewood Christian School policies, procedures, and regulations.

Lakewood Christian School Philosophy and Purpose

Lakewood Christian School is a ministry of Lakewood Christian Church. Lakewood is committed to a Christian philosophy of education that is based on the Bible as the complete and final authority of God concerning matters of faith, truth, and practice.

It is our goal to cooperate with the Christian homes and Churches of the McAlester area in seeking to follow the Biblical admonition to "Train up a child in the way he should go; and when he is old, he will not depart from it." Proverbs 22:6

Admissions Process-

All students kinder-12th grade will fill out the enrollment form and meet with the administration about goals, expectations, and any questions that the parent/guardian may have. We will go over our schools honor code and expectations in regards to that. A discussion will be had if the student has an iep and if the modifications can be met. If the students iep modifications are severe and to the point that we can not meet those needs, we will discuss that before any discussion on acceptance to our school will be made. An entrance exam may be offered depending on the students academic history. A discussion will be had about the beliefs of the child and in the home. We believe that the Bible to be the inspired only infallible authoritative Word of God. Timothy 3:16. We teach the Word of God out of the Bible. We believe that Jesus died and rose again. Our curriculum is biblical and we use biblical integration in the classroom. A statement of faith will need to be signed for enrollment. A final decision will be made within a week on if the student may be enrolled at Lakewood.

School Calendar-

The school year shall consist of teaching days as provided in the school calendar and shall be divided into two (2) semesters. Annually, the Superintendent or the Superintendent's designee shall prepare and present for the Board approval a school calendar which indicates the dates of the opening and closing of school and all applicable instructional and professional days.

All activities of classes and clubs shall be approved by their sponsors, and all fund-raising activities shall be approved by the principal according to the policy on Activity Funds.

Extended Care

A fee-based childcare program is offered for pre-school through grade six students. Enrollment forms and a \$10.00 fee is assessed at the time of enrollment. The student accrues a \$5.00 charge for every hour beginning at 3:30 and ending at 5:30p. If the student is left beyond 5:30p, there will be a \$1.00 charge per minute accessed and ending at the time of pick up to be billed.

Transportation

All modes of transportation used by Lakewood Christian School meet the requirements and operate in cooperation with the regulations required by law. Safety is of first importance. All students are urged to use care in loading and unloading. Always use the handrails and always remain seated if the vehicle is in motion. Riding in a school vehicle is a privilege that a student can lose if proper conduct is not observed.

Student Drivers

1. All students must have a VALID driver's license to drive on campus.
2. All vehicles driven to school must be licensed and insured. Copies of such should be given to the school office to keep in a cumulative student file.
3. Parking is only permitted in the student parking section. Parking in areas designated for visitors, staff, or church use is not permitted.
4. Students may not play loud, inappropriate, or offensive music on campus.
5. Students may not sit in any vehicle or go out to any vehicle during the day without permission from the school office.
6. Students are to always drive carefully and to adhere to Oklahoma driving laws.
7. Students who violate the school driving or parking regulations will be disciplined accordingly.

Lakewood Christian School is not responsible for any traffic accident or violation that may occur while driving to and from activities. It is the parent's and student's choice to drive and therefore assume all responsibility.

Absences: All verified and unverified absences count against the nine (9) day limit.

Regular attendance is expected of all students. This is essential for maximum student development and for progress to be realized in the educational program. We realize that some absences are unavoidable such as sickness or a death in the family; however, we expect parents' cooperation in keeping absences at a minimum. Excessive absences may negatively affect work habits, grades and/or a student's promotion.

The school attendance policy applies to all students enrolled in school. The following attendance policy is for K3 through 12th grade students. This attendance policy is intended to encourage students to be regular in their attendance. A student absent more than 25% of the class time in a semester will have to make up their time outside of school's regular schedule.

Community service time may be substituted at the principal's discretion. This attendance policy allows absences of nine (9) days per semester.

All absences will count against the 25% attendance requirement, except the following: School sponsored trips, events and activities approved by the principal. Any absence of an emergency nature deemed unavoidable and approved by the school Principal. Schoolwork involves more than paperwork. It involves participation in discussions, demonstrations, activities and interactions between students and teachers. Regular and punctual attendance is a vital factor in determining one's success in any field of endeavor.

Students should develop the habit of being on time and in class every day. Occasionally students in attendance will need to be excused from school due to illness, injury, or personal reasons. Teachers should refer all such cases to the office to obtain written permission to leave campus. If a student leaves school without permission, it will be counted as truancy and will be handled accordingly. Parents may be called to verify signatures.

What to do if you have been absent without prior approval?

Bring a written note from home, signed by the parent or guardian, dated, stating the dates of your absence and the specific reason. Refer to the attachments for the form "Special Absence Request" to be used for prior approval of absences. Parents should call the school office to report absences. We will call you if we do not hear from you by 9:00 am.

Excused Absences

1. Illness of the student with a doctor's note.
2. Illness or death in the student's immediate family-medical and dental appointments that could not be scheduled after school.
3. Family trips or special trips that have been excused by the administration at least 48 hours prior to the trip.
4. School-Sponsored activities Parents/Guardians may call the school for assignments. Assignments will be available for pickup in the school office after 3:30 pm.

Unexcused Absences

A student's absence will be considered unexcused when the reason for the absence is anything other than those stated above. Tests or quizzes missed because of unexcused absence must be made up after regular school hours. All unexcused time must be made up outside regular school hours at 1.5 to 1-day ratio. Students returning from excused absences are responsible for missed work or tests the day of return, if the class knew the assignment prior to the absence. The student has a day to make up the work or tests if the assignment was unknown to the class prior to the absence. Parents are encouraged to communicate with their child's teacher to lessen the impact of makeup work. Students may not participate in extra-curricular activities until all work & time is made up.

Attendance Requirements

Students are subject to compulsory school attendance and truancy laws as required by the State of Oklahoma and regulations Of the State Board of Education. If a child is absent four (4) or more days or parts of days within a four (4) week period or is absent for ten (10) or more days or parts of days within a semester, the student will be given a notice to serve Saturday School. It is the duty of the school to maintain attendance records and provide attendance information to the District Court or designee as is necessary. To pass a class, a student must miss no more than nine (9) times in a semester. If a student misses more days due to serious illness or injury, the attendance committee (Superintendent, Principal, and Vice-Principal) must concur that the illness or injury is serious enough to prevent the student from attending school. The school may require a doctor's note to certify that any student is physically unable to attend classes.

College Days

Seniors can visit a college campus once each semester during the school day. Juniors have an opportunity to visit a college campus once. Students wishing to use a college day must have an ACT score on file. The student must be passing all classes and may not exceed nine (9) absences in any given class. The college day must be an approved request by both the parent/guardian and a school administrator prior to the planned visit. Upon return to school, the student is responsible for bringing back proof of the visit verified by the college. College day visits that follow these procedures will not count toward the nine (9) day absence policy. No college day applications will be approved during the last two weeks of either semester.

School Hours

School hours are from 8: 00 a.m. until 3:30 p.m. each day. Students should NOT arrive earlier than 7:30 a.m. or remain on the campus later than 5:30 p.m. unless they are participating in a supervised school activity. SCHOOL DOORS WILL NOT OPEN UNTIL 7:30 a.m. EACH DAY. Supervision WILL NOT be provided for students who arrive before 7:30 a.m. or remain later than 5:30 p.m. Students not in a supervised school activity MUST be checked in to Extended Care. These procedures are designed for the safety and well-being of the student as well as for the liability of the school.

Closed Campus

All students are to remain on the school campus between the time of arrival and the close of the school day unless: a) leaving for school-sponsored events or b) checked out by a parent or guardian. Parents and/or guardians must check out students through the school office before taking the student from campus.

Students who leave campus without permission shall be subject to disciplinary action.

This will allow for minimal disruptions. Appointments with teachers can be scheduled with the teacher or in the office when necessary. Staff reserves the right to discuss a student's appearance with the student and his/her parent and to require modifications. If LCS staff deems that a student's dress is inappropriate the student may be sent to the office for a change of clothing.

The Bible does not specify proper clothing for a Christian student, but it does say to students of every generation that their appearance should be modest, I Timothy 2:9-10 and I Peter 3:3-4; furthermore, all students are to be an example for the believers, I Timothy 4:12.

LCS desires to serve the Pittsburg County area by providing a Christian based education to those students and families desiring such. The principal will evaluate an applicant's academic and behavior record in making decisions regarding admittance.

Families may appeal a negative decision by the principal to the superintendent and ultimately the school board. The school board's decision will be final in all such appeals.

Care of School Property

The patrons of Lakewood Christian School have provided some of the best equipment and facilities found anywhere. Students can best show their appreciation by taking care of the building, equipment, and grounds, so they can be passed on to future students in good condition. Any student who defaces, damages, or destroys school property will be required to repair or replace the damaged item and will also face further disciplinary action. Except in legitimate accidents, students are liable for all damages they may do to school property.

Lockers

Vehicles parked on school property are subject to search. In conducting searches, the school may utilize trained dogs to detect prohibited items. If a dog alerts to a student's locker or vehicle or to a classroom or common area, the area may be searched. If the student refuses, the student's parent or guardian shall be notified and requested to unlock the vehicle. If the parent or guardian refuses to unlock the vehicle, the school will contact appropriate law enforcement personnel to respond to the issue. At this point, the student has forfeited the privilege of driving/parking on any school property for the remainder of the school year.

It is the parent's/guardian's responsibility to monitor the school's social media presence. The student's guardian will also receive a communication (email, text, or phone call) from the school.

Standards of Behavior: Honor Code

Lakewood Christian School carries the name of Christ and is dedicated to His honor and glory. Each one of us is expected to represent our school with behavior and attitudes that are pleasing to Christ and further the cause of His kingdom. To direct our behavior according to Biblical precepts, the following guidelines have been established:

Respect

Act in such a way that you demonstrate proper respect for God, school, authority, school property, the feelings and rights of other students and yourself.

Social Media: Students will refrain from social media in any school setting and understand that they are held accountable for their actions and held to a higher standard on our Honor Code.

*attached is the School Honor Code**

Bullying

In an effort to establish a common understanding by all students of what is meant by the term, "bullying," and to promote greater respect for each individual student, a common definition has been established and will be emphasized in the school system: bullying is defined as any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another person, damage another's property, place another in reasonable fear of harm to the person or property, insult or demean a person or group of people in such a way as to interfere with the schools educational mission. This includes intentionally intimidating, teasing, or threatening another person. A person is bullied when he or she is exposed, repeatedly and over time, to negative actions on the part of one or more other persons. Other characteristics of bullying have been identified: it is aggressive or malicious, it is repeated and goes on for some time, and it occurs in an interpersonal relationship that is characterized by an imbalance in strength or power. Classroom and school-wide rules have been established to address the issue of bullying and students are expected to always comply with these standards of behavior. If an issue of bullying arises, the student(s) are to report the act to the Bully Prevention Officer (BPO), Tamara Salyers.

Cheating

Cheating is defined as dishonestly giving or receiving aid or information on any test or assignment. If a student is caught cheating on tests or other classroom work, zeros will be given to the student(s) involved. No provisions are made to make up or otherwise receive credit for work or tests in question. The teacher will notify the parent of the incident. Cheating is a violation of the Honor Code. Additional cheating may result in expulsion. Any form of artificial intelligence used will be treated the same as cheating.

Cell Phone Policy

In an effort to reduce cheating, inappropriate texting and bullying, any electronic device with activated data plans is not allowed during the school day. Each morning students will turn in their devices or sign a form indicating they do not have one with them. Students in grades nine through twelve will turn in and pick up their cellphones in the Home Room Class. Students who sign that they do not have a device and are then discovered with a one will be guilty of an Honor Code violation and therefore subject to In-School Suspension (ISS). NOTE: This text is not a full representation of the rules and or policies for Lakewood Christian School. Things left unsaid will be dealt with by the necessary chain of command.

Lakewood Christian School's electronic network is part of the curriculum and is not a public forum for general use. Student users may access technology for educational purposes only. The actions of student users accessing networks reflect on the school; therefore, student users must conduct themselves accordingly by exercising good judgment and complying with school policy. Students are responsible for their behavior and communications.

Access is a privilege, not a right. Administration will deem what is appropriate use and their decision is final. Lakewood Christian School has the right to monitor all uses of their network including email, internet access, information stored on devices, network, and other electronic media used on school property. The administration reserves the right to deny, revoke, or suspend user access at any time.

Access to any resource will not be granted until an acceptable use policy agreement is signed and submitted by the student and their parent/guardian.

Students of Lakewood Christian School may have access to internet-based email provided to them by the school if deemed academically advantageous and parent permission is received. The email account will be monitored and restricted to those educationally appropriate. Student access to any other email account on school networks is prohibited.

Possession and/or use of any personal electronic device is a privilege, not a right, that is extended to the student, which, at the direction of the school, may be revoked should circumstances warrant.

Individuals shall reimburse for repair or replacement of school property lost, stolen, damaged, or vandalized while under their care due to gross negligence or intentional misuse.

Display of Affection

No public display of affection, such as arms around each other and kissing will not be allowed at school. The school will insist that all couples always conduct themselves at school in such a manner that attention of others is not attracted to their behavior. Offending students will have their attention called to the matter, and appropriate disciplinary action will be taken. General Rule: there is to be always at least six inches between each student.

Disrespect from Students

Students must remember that all school personnel always have authority over them during the school day and at school activities. At no time are students to be disrespectful to school personnel. Student must follow and abide by reasonable requests made by school personnel.

Sexual Harassment

Sexual harassment is a form of discrimination that violates the law. All students at Lakewood Christian School have the right to attend school in an environment that is free of intimidation based on gender and unwelcomed sexual advances.

Plagiarism

Plagiarism is defined as the practice of taking someone else's work or ideas and passing them off as one's own. Plagiarism is a violation of the Honor Code. The student will get a zero on their assignment and or test that they plagiarized on. Plagiarism will result in disciplinary action.

Fighting

Fighting is identified as mutual participation in an altercation. Fighting is an action that will not be tolerated in our school society. All participants in a fight will be dealt with in a manner

appropriate for the situation. Disagreements between students can never be solved by violence. Students who believe another student is angry with them in a way that could lead to violence should contact the school's BPO or an administrator. A student who strikes another student will be suspended for a minimum of three days or more depending on the severity of the situation.

Destructive Devices

Under Federal law, any student who brings a weapon, including but not limited to, a gun or knife of any length, to school will be suspended for at least a calendar year, except the superintendent and/or school board may modify the length of the suspension on a case-by-case basis. Reenrollment will be made on a case-by-case situation as determined by the principal and/or superintendent.

Hazardous items including, but not limited to, ammunition, matches, lighters, knives, laser pointers, or fireworks are not permitted. School officials shall have the authority to detain and legally search any pupil on any school premises or activity or while in transit. Such items will be confiscated and disposed of appropriately. Disciplinary measures will be taken as necessary.

Student Performance & Evaluation

Report Cards will be sent home at the end of every quarter. This is a means of informing parents/guardians of the student's progress, or lack of progress, in each subject.

Grading Scale:

A = 90-100

B = 80-89

C = 70-79

D = 60-69

F = 0-59

Make Up Work

Upon return to class, after an absence(s), students shall be granted one (1) class day to make up each day of class work missed. No penalty shall be assessed against work made up for absences. In case of extended absence, arrangements to make up work shall be made with the teacher. Upon return to class, students are required to take any examination or test or return any assignment which was previously announced during the student's presence in class or which has been regularly scheduled. Tests missed by the student shall be made up on the day the student returns to class (exceptions to this will be for periods of extended illness or serious injury).

Students who are suspended will be allowed to make up homework and quizzes; however, the work issued to the suspended student MUST be completed upon the student's return. If the student does not have his work completed upon his return date, he will not be approved back until all due work is turned in to the student's teacher(s).

Students with any missed assignments, quizzes, tests, etc. that are a result of truancy will be at the discretion of the teacher and/or administration to be given full/partial or no credit.

Discipline

Effort:

1. Students will show respect for the authority of the administration, faculty and staff. Students will address adults with "Mr." and "Mrs." or "Miss".
2. Students will treat school property and the personal property of others with respect and care. Any damage done to the buildings, grounds or furnishings of Lakewood Christian School must be repaired and/or replaced at the expense of those causing the damage. Students will be subject to disciplinary action if they willfully or negligently bring harm to school property.

In order to ensure a clear understanding of what is expected of Lakewood Christian School students, the following specific rules have been established:

- The philosophy of discipline at Lakewood Christian School is based on the scriptural teaching found in Proverbs 22:6 and is designed to be positive training in the right direction. Christian love is at the heart of all discipline and includes both direction and correction.
- All students are expected to refrain from talking in class without permission and from getting out of their seat without permission.
- The students at Lakewood are expected to be respectful and understanding in the receiving of discipline. Discipline will be handled first by the teachers. Parents and teachers must cooperate fully with one another. Anything said or done which tears down respect and confidence for either will harm the child. The administration has full confidence in its teaching faculty and will give assistance when needed. Disciplinary measures may include counseling, a warning, withdrawing and restoring of privileges, temporary isolation, parent

conferences, and referral to the principal, corporal punishment by the principal or superintendent, after school detention, suspension or expulsion.

- Corporal punishment will not be applied without parent or guardian consent.
- Parents/Guardians are asked to indicate in the Parental Agreement whether or not corporal punishment may be administered. Even when authorized, corporal punishment will not be carried out except by the principal or superintendent and with specified witnesses. Parents will be notified if corporal punishment is administered to their child. If parents choose for their children to be exempt from corporal punishment, they will be called to administer discipline, or, suspension of the student for a specific time will be enacted.

Purpose: Our goal is to teach children REPLACEMENT BEHAVIORS, or what they need to do instead, so that all children can work in a school environment that is safe, fun, free from distraction, and allows children to reach their maximum learning potential.

Proactive Approach to School-Wide Discipline

Schools that implement school-wide systems of positive behavior support focus on taking a team-based system approach and teaching appropriate behavior to all students in the school. Instead of using a patchwork of individual behavioral management plans, schools are moving toward schoolwide discipline systems that address the entire school, the classroom, areas outside the classroom (such as hallways, restrooms, cafeteria, offices, classrooms), and the individual students with challenging behavior, and that result in a continuum of positive behavior support for all students.

Schools that have been successful in building school-wide systems develop procedures to accomplish the following:

- I. Behavioral Expectations are Defined: A small number of clearly defined behavioral expectations are defined in positive, simple rules. Expectations are the following three B's:

Be Respectful, Be Responsible, Be Safe

2. Behavioral Expectations are Taught. The behavioral expectations are taught to all students in the building and are taught in real contexts.
3. Appropriate Behaviors are Acknowledged. Once appropriate behaviors have been defined and taught, they need to be acknowledged on a regular basis.
4. Behavioral Errors are Corrected Proactively. When students violate behavioral expectations, clear procedures are needed for providing information to them that their behavior was unacceptable and for preventing that unacceptable behavior from resulting in inadvertent rewards.
5. Program Evaluations and Adaptations are made by a Team. School-wide systems of behavior support involve on-going modification and adaptation.
6. Administrative Support and Involvement are Active. School-wide behavior support involves the active and on-going support and involvement of administrators.

7. Individual Student Support Systems are Integrated with School-wide Discipline Systems.
School-wide behavior support is a process for establishing a positive culture in school.

Schools that have been successful in implementing school-wide positive behavioral interventions and supports describe the following BENEFITS:

1. Increases in attendance
2. Student self-reports of a more positive and calmer environment
3. Teacher reports are more positive and calmer environment
4. Reduction in the proportion Of students who engage in behavioral disruptions
5. Reduction in the number of behavioral disruptions

Change in Student Information

It is imperative that the school office be notified immediately of a change of address, home or office telephone number, or emergency information during the academic school year.

Assemblies

Students must behave courteously at school assemblies. Students should give full attention to the speakers on stage and show appropriate appreciation. Visitors often form a lasting impression of our school and community by our behavior at assemblies.

Parties

Parties are limited to two per school year. Birthday parties are not held at school. Personal party invitations will be allowed if every student in the class receives an invitation.

Lakewood Christian School Statement of Faith

About God

We are a Christ-Centered church that is dedicated to loving God with all our heart, mind, and soul to loving our neighbor as ourselves.

We believe there is one God, who has revealed Himself as our Father, in His Son Jesus Christ, and as the Holy Spirit. Jesus Christ is God manifested in flesh. He is both God and man. (Deuteronomy 6:4, Ephesians 4:4-6, Colossians 2:9, 1 Timothy 3:16)

About the Bible

The Bible is the infallible Word of God and the authority for salvation and Christian living. (2 Timothy 3:15-17)

About Sin and Salvation

We believe that God created Adam and Eve in His image, but they sinned when tempted by Satan. Everyone has sinned and needs salvation. Salvation comes by grace through faith based on the atoning sacrifice of Jesus Christ. Only through God's saving grace and work in Jesus Christ can we be rescued, reconciled and renewed. (Romans 3:23-25; 6:23, Ephesians 2:8-9)

About the Gospel

The saving gospel is the good news that Jesus died for our sins, was buried, and rose again. We obey the gospel (2 Thessalonians 1:8, 1 Peter 4:17) by repentance (death to sin), water baptism in the name of Jesus Christ (burial), and receiving the gift of the Holy Spirit (resurrection), (1 Corinthians 15:1-4, Acts 2:4, 37-39, Romans 6:3-4)

About Christian Living

As Christians we are to love God and others. We should live a holy life inwardly and outwardly, and worship God joyfully. The supernatural gifts of the Spirit, including healing, are for the church today. (Mark 12:28-31; 2 2 Corinthians 7:1; Hebrews 12:14; 1 Corinthians 12:8-10)

About the Future

Jesus Christ is coming again for His church. The righteous will inherit eternal life and the unrighteous Eternal death. (1 Thessalonians 4:16-17; Revelation 20:11-15)

I have read Lakewood Christian School's Statement of Faith and I understand that any and all of these will be taught to my child.
